GROVER'S GOOD MIT

Wins Maysville Game Over Lexington, Score 3 to 2—Rivermen Lead

In a hotly contested game, Maysville finally won from Lexington in the tenth inning in that city by a score of 3 to 2, after a long pitcher's battle between Grover and Turner, in which the former had somewhat the better of his argument throughout. At that, Turner would have won his game had it not been for an error by Curtis in the first inning and a rather doubtful decision at the plate by Kelly in the same inning.

With the exception of one inning, Grover was complete master of the situation, but bases on balls kept him from a shutout. He fanned fourteen and allowed only two scratches.

He Had "Something" on the Ball.

hits; only three balls being hit to the outfield. Turner kept his hits well scattered and it was almost impossible for Maysville to hit when they needed bingles.

Curtis was the only colt who hit Grover, getting both the bingles credited to the Lexington team, but he was responsible for the run that kept Lexington from winning, 2 to 1.

The score:
Maysville.....1010000001-3
Lexington.....020000000-2

Two-base hits—Kunkle, Carmony. Bases on Balls—Off Grover 5, off Turner 1. Stolen Bases—Edmondson, Walsh, Langenham, Reed, Williams. Struck Out—By Grover 14, by Turner 6. Left on Bases—Lexington 3, Maysville 8. Sacrifice Hits—Carmony, Woodruff, Grover. Sacrifice Fly—Crist. Double Plays—Turner to Curtis, Turner to Crist to Edmondson. Passed Balls—Kunkle 2. Time 2:10. Umpire—Kelly.

NOTES

President Neal is in Mt. Sterling reorganizing the ball club there. It is the plan to form a stock company.

Lexington will make a desperate effort this afternoon to break even with Maysville in this week's games by taking a contest from them today at Lexington.

Frank Edington, the slugger outfielder sold to Pittsburgh by Lexington about two months ago, has been sent by that club to Wheeling in the Central League for further seasoning.

THRESHER EXPLODES
And Three Men Lose Lives—Terrible Accident Near Sharpsburg

Yesterday afternoon near Sharpsburg, Bath county, the boiler of a threshing machine suddenly exploded, instantly killing Thomas J. Crockett, a well known farmer, and fatally injuring Hal Thompson, white, and a Negro man.

The information came to Maysville this morning in a letter to J. W. Elgin from J. S. Sharp of Sharpsburg.

It is the usual story of a rusty boiler, or an engineer who didn't know how.

Political Pickings

Detroit Free-Press: The third-party politicians are now trying to prove that there is a difference between stealing and taking what you want.

Courier Journal: Judging from its finish the "Camora" in Italy was a Third Party run by a macaroni-eating Italian Roosevelt.

Chicago News: Ormsby McHarg, who the steam roller used as a mat, will eventually get the gravel out of his skin.

Atlanta Constitution: Maybe the trouble with T. R. is that he doesn't want to be in the ex-President's class with Taft.

YOUNG WIFE SAVED FROM HOSPITAL

**Tells How Sick She Was And
What Saved Her From
An Operation.**

Upper Sandusky, Ohio.—"Three years ago I was married and went to house-keeping. I was not feeling well and could hardly drag myself along. I had such tired feelings, my back ached, my sides ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so, when I saw your advertisement in a paper, I wrote to you for advice, and have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound and Liver Pills, and now I have my health. "If sick and ailing women would only know enough to take your medicine, they would get relief."—Mrs. BENJ. H. STANBURY, Route 6, Box 18, Upper Sandusky, Ohio.

If you have mysterious pains, irregularity, backache, extreme nervousness, inflammation, ulceration or displacement, don't wait too long, but try Lydia E. Pinkham's Vegetable Compound now. For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy and should give every one confidence.

\$3,000 For Pitcher Marshall

President Gableman of the Portsmouth Ohio State League Team has just received from the Philadelphia Nationals, an offer of \$3,000 for Pitcher Marshall, for whom Cincinnati and Columbus were also negotiating. The offer was accepted on condition that Marshall be allowed to play the season out with Portsmouth. The deal was closed and Marshall now belongs to Philadelphia. The price paid for Marshall is the highest every paid for an Ohio State player and perhaps for any minor league player.

Nature's Way Is The Best.

Buried deep in our American forest we find bloodroot, queen's root, mandrake and stone root, golden seal, Oregon grape root and cherrybark. Of these Dr. R. V. Pierce made a pure glycerine extract which has been favorably known for over forty years. He called it "Golden Medical Discovery."

This "Discovery" purifies the blood and tones up the stomach and the entire system in Nature's own way. It's just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is discolored, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue."

More than a week ago I was suffering with an awful cold in my head, throat, lungs, and body," writes Mr. JAMES G. KENT, of 710 L Street, S. E., Washington, D. C. "Some called it La Grippe, some pneumonia. I was advised by a friend to try a bottle of your 'Golden Medical Discovery.' I tried a bottle and it did me a much good that I feel safe in saying it is the greatest and best medicine that I ever took. My health is much better than it was before using your medicine. It does all you claim for it and is satisfactory."
